Re: United States v. Daron Goodman, 20 Cr. 57 (GBD) - Request of Extension of Time to File Motions

Dear Judge Daniels:

I write to request an extension of the deadline for filing pretrial motions, set for August 2, 2021. The government has no objections to this request. Additional time is necessary to continue the review and analysis of discovery produced by the government and to enable the parties to engage in plea negotiations. We propose following the schedule submitted by counsel for co-defendant Quaveon Ross: defense motions by September 16, 2021, government response by October 28, and defense reply by November 11, 2021. Accordingly, we request an extension of the deadline for filing pretrial motions, set for August 2, 2021.

Respectfully Submitted,
